^{*}Per College Board, students are assessed an additional \$40 when an exam is ordered after the registration deadline OR students cancel their exam registration after the deadline. The registration deadline is November 4th for students currently enrolled in an AP course and March 8th for students enrolled in an AP course that only meets in the spring semester.

*If you are taking an independent study or preparing for an AP exam (in which you are not taking the course), then you will be assigned to a test only section in the spring semester. The deadline to register for a test only exam will be March 8th, 2022. Please contact the AP Coordinator/Mr. Bittinger if you are considering this option.
