For general questions, please call
717-231-8615.

A fulfilling, exciting career may be in your future! Consider working in health care — one of the fastest growing employment sectors in the United States.

Careers can range from direct patient care like nursing or therapy to behind-the-scenes work in a laboratory or pharmacy. Spend some time talking with experts about the wide variety of opportunities in the field and find out what education and skills you'd need.

No matter what role you choose, everyone who works in health care makes a difference in people's lives!

Career Night Schedule

- 5:30 to 6 p.m. Registration
